The screenshot shows a web application interface with a red header bar containing 'Products' and 'Add Products' links. Below the header is a search bar labeled 'Search Products'. The main content area displays a table titled 'Order List' with the following data:

Sr No.	Name	Quantity	Price	Date	Operations
1	aashish	23	342	2022-08-10T20:53:47.638Z	Delete Product Update Product
2	kaju	23	342	2022-08-10T20:54:03.011Z	Delete Product Update Product

NOTE : The result of the Test Report reflects the findings and conclusions is as on the date of issue with common trust and confidence with precision, disclosing the identity and authenticity of the product specimen without legal bindings, as Gemstones of similar appearance can have specific different values which can be modified and enhanced at any time. NGL can re assess whether the product specimen in accordance with the report based on the analysis and interpreting the characters of setting permit with limits. The authenticity of colour and nature of additional precious stones in the setting have NOT been tested, and the specified weight indicated herein is with an approximate measure and may differ once scale is reset. The validation of the Test Report stands good only if appended with an authorized signatory, embossed stamp and Trade Mark label on the surface laminated. The Laboratory Report may also be verified on nationalgemlab.in. The PDF coloured scanned and facsimile copies of the Report at any circumstances are NOT valid and legally bind to whom so ever may concern. Further details may be seen in the Terms and Conditions of the Lab enumerated in overleaf. This Test Report is the Copyright of the National Gem Lab Chennai, India.
